### **CAMBr Members Safari to Brown County Memorial Day Weekend 2026**

#### **Brown County State Park**

*CAMBr has booked 2 group sites at Brown County State Park for Memorial Day weekend 2025. We have Rally Sites 1 and 2 from Thursday May 21st through Monday May 25th. The Rally sites are wide open grass areas where you can set up your tent, car, or camper. This event is for CAMBr members only and their families. Each family unit needs to pay a \$10 per night fee to cover the cost. This is on the honor system - please pay for the number of nights you expect to stay. There are no electric or water hookups, but bathrooms, showers, water and the camp shop are all within walking distance. You will need to get your vehicle and trail pass at entrance to the park - these fees are collected by the park staff and are in addition to the cost of camping. Trail passes are daily, and are required for anyone riding trails above beginning level (green). When you get to the campground entrance you will pick up your camping pass - tell them that you are staying at Rally 1 or 2. Then head to one of the 2 rally sites, grab a spot, and introduce yourself.*

*Important note: Campsite rules include quiet hours between 11 p.m. and 6 a.m. We must respect other groups camping nearby by shutting down our campfire gatherings before 11. If groups of campers aren't adhering to park rules they may be removed from the campsite by park rangers. CAMBr leadership is there to enjoy the weekend as well - not to keep our own in line - and we also want to be welcomed back next year, so please respect the park rules.*
